Thank you to everyone who participated in our parks throughout the summer. We are gearing up for an exceptional Fall season, and our parks team has put together a great list of programs for you and your family to enjoy.

Don't let the upcoming cooler weather be a factor in your decision! Lots of our programs are indoors at both the Griffin Recreation Center and the new Silver Street Park and Sportsplex, so you can stay active and stay fit, all in the comfort of the indoors.

We also had a fantastic first season at River Run Family Water Park. Over 30,000 people visited this public pool during its first season, and we are looking forward to an even better season next year.

Be sure to flip through this brochure and try something new this Fall!
